Video by Ron Brown, Silvertown Technology & Computer Club

This video was presented at APCUG's Virtual Technology Conference on Mar 2, 2020, by Ron Brown.

Ron likes to be known as a retired technologist who resides in Silveridge Resort in Mesa Arizona. He has given well over 100 presentations and is very active in his 200 member computer club.

- 
- Shopping APPS used at Sams Club, Kroeger-Fry's, Walmart, and Google Chrome are discussed.
  - Amazon Fresh is a new way to purchase on-line groceries.
  - Payment methods are reviewed and the importance of PayPal discussed.
  - What should you not purchase on Amazon and how do you initiate an Amazon Return?
  - If you have any problems I discuss how Amazon will phone you.
  - This is a great 45 minutes presentation that I attended and want to share with our Sun City Summerlin Computer Club members.
